## Delivering High Comfort & Performance

Enjoy consistent comfort, no matter how chilly it gets outside with Sure Comfort® Vantix™ Line of Gas Furnaces. Offering some of the highest energy efficiencies available, Sure Comfort Vantix 90% AFUE Gas Furnaces deliver peace-of-mind through dependable performance and savings.

# High Efficiency Has Never Felt Better

Relax, you're covered by one of the best warranties in the industry<sup>1</sup>—up to 10 Year Limited Parts + Limited Lifetime Heat Exchanger + Conditional Limited Lifetime Unit Replacement<sup>2</sup>.

Sound levels range from quietest to quiet with insulated cabinets and truly variable speed airflow technology<sup>3</sup>—giving you one of the quietest furnace lines available<sup>4</sup>.

Modulating<sup>5</sup> (between 40% and 100% of capacity), two-stage<sup>6</sup> (medium, low) or single-stage (low) heating operation<sup>7</sup>, along with variable speed motor technology<sup>3</sup>, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

## Helping You Live Both **Comfortably** and **Sustainably**

Many Sure Comfort products have sustainability features, but the S98MV, S97MV, S962V, S951V and S921V models have earned our Sustainability Standout Seal, indicating that they are among the best of the best. We created the Seal to help you more easily find the products that save energy, save money and save the planet.

## Among Furnaces, These Are Stars

Earning ENERGY STAR<sup>®</sup> recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency and all of the Sure Comfort Vantix 90% AFUE Gas Furnaces are ENERGY STAR<sup>®</sup> or U.S. South ENERGY STAR<sup>®</sup> certified, offering annual energy cost savings<sup>8</sup>.

## Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth connectivity<sup>9</sup> makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.
