[SureComfort.com/Vantix](https://www.SureComfort.com/Vantix)

Dependable, **worry-free comfort**

Stay consistently comfortable every day out of the year with the Sure Comfort® Vantix™ Line of Air Handlers. Offering high efficiency and quiet operation, Sure Comfort Vantix Air Handlers ensure dependable comfort and savings, no matter the season.

High Performance Meets Enduring Quality

PEACE-OF-MIND PERFORMANCE

Relax, you're covered by some of the best warranties in the industry¹—up to 10 Year Limited Parts².

QUIET OPERATION

Sound levels range from quietest to quiet with insulated cabinets and truly variable speed airflow technology³—giving you one of the quieter air handler lines available⁴.

OPTIMAL COMFORT

Three-stage⁵ (high, medium, low) or two-stage (high, low) heating operation⁶, along with variable speed motor technology³, ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

EcoNet[®]

The SH3VZ and SH2VZ Sure Comfort[®] Vantix[™] Line Air Handlers operate with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort with features like:

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App⁷
- Alerts sent directly to your phone or email

Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth[®] connectivity⁸ makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.
