

NO-FUSS DEPENDABILITY.
ULTRA-LOW EMISSIONS.

Gas Furnaces
S951V****U

VANTIX®

Sure Comfort® Vantix® Line

The Sure Comfort Vantix Line S951V****U Ultra Low NOx Gas Furnace is ENERGY STAR® certified, offering one of the highest efficiencies available today. That means you enjoy consistent comfort while watching your utility bills go down.

SureComfort.com/Vantix

Genuine Innovation

Innovation You Can Count On

Patented industry-first features and advanced design make the Sure Comfort® Vantix® S951V****U a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹—10 Year Conditional Unit Replacement + Limited Lifetime Heat Exchanger + 10 Year Parts.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 95% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates.

Genuine Comfort

Variable speed motor technology ensures a steady stream of just-right heated airflow to maintain your comfort level preference while providing superior humidity control.

Environmentally Friendlier

The ultra-low-NOx operation of this model helps you lower your carbon footprint by minimizing greenhouse gases.

and Performance

Helping You Live Both **Comfortably** and **Sustainably**

Many Sure Comfort products have sustainability features, but the S951V****U has earned our Sustainability Standout® seal, indicating it's among the best of the best. We created the seal to help you more easily find the products that save energy, save money and save the planet.

Among Furnaces, **This One's a Star**

Earning ENERGY STAR® recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

The Sure Comfort Vantix S951V****U operates with the easy-to-use EcoNet Smart Thermostat, which optimizes system performance and provides a new level of protection and precision comfort **with features like:**

- Communication with latest sensor technology
- Control of your thermostat from anywhere via the EcoNet App⁵
- Alerts sent directly to your phone or email

Rheem Sales Company, Inc. manufactures the Sure Comfort brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional warranties. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to SureComfort.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. ⁵Wi-Fi broadband internet connection required; Download the EcoNet[®] App from the App Store[®] or Google Play[®] to set up your EcoNet Smart Thermostat; Receipt of notifications depend on home Wi-Fi setup.
