SMART DESIGN MEETS

Innovation You Can Count On

Patented industry-first features and advanced design make the Sure Comfort® Vantix® S972V a smart choice.

Peace-Of-Mind Performance

Relax, you're covered by one of the best warranties in the industry¹— 10 Year Parts + Limited Lifetime Heat Exchanger + 10-Year Conditional Unit Replacement.

Quieter Operation

Cozy and quiet vibes are guaranteed with our insulated cabinet and truly variable speed airflow technology—giving you one of the quieter furnaces available².

Energy Efficiency Savings

Higher AFUE (Annual Fuel Utilization Efficiency) ratings mean more energy savings and this 97% AFUE, ENERGY STAR® certified gas furnace is close to perfect when it comes to efficiently converting gas to heat—offering up to \$85 in annual energy costs savings³ and potentially even more with available rebates.

Genuine Comfort

Powered by EcoNet® technology, the S972V, when paired with the EcoNet Smart Thermostat, enables automatic configuration and optimization. Additionally, two-stage heating and variable-speed technology deliver even, consistent warmth all winter, while helping manage humidity for greater year-round comfort.

HASSLE-FREE DEPENDABILITY

Among Furnaces, This One's a Star⁴

Earning ENERGY STAR[®] recognition means products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR certified heating and cooling equipment can enhance the comfort of your home while saving energy—which saves money on utility bills and protects our climate by reducing harmful carbon pollution and other greenhouse gases.

With the EcoNet[®] app⁵ and EcoNet Smart Thermostat, you can remotely control your smart products, monitor your energy usage, and get real-time alerts and notifications for added peace-of-mind.

Keep your home running smoothly

Get peace-of-mind – Receive proactive alerts, real-time notifications and service reminders to protect your home

Control and monitor – Remotely manage temperature and choose operation modes for increased performance and efficiency

EcoNet Mobile App

EcoNet Smart Thermostat

Increase savings & value

Energy management – Set personalized schedules to match your daily routine and usage needs

Smart home integration – Connect with other smart home systems for a more advanced living environment

VANTIX®

Simplified Install & Service with Bluetooth Technology

Built-in Bluetooth® connectivity makes it faster and easier for your contractor to install and service your new system. This can help lower your costs and help make your home comfortable again—fast.

FEATURES AT A GLANCE

Input Rate: 40–115 kBTU

Configuration: Upflow

Heating Stages: Two-Stage

Motor Type: Constant CFM

Powered by EcoNet Technology: Yes
(when paired with the EcoNet Smart Thermostat)

Sound Ranking²: Quieter

FEATURE HIGHLIGHTS

Energy Efficiency: 97% AFUE

Diagnostics: Bluetooth technology aids in quick & easy service

Rheem Sales Company, Inc. manufactures the Sure Comfort brand of residential heating & cooling products. In keeping with its policy of continuous progress and product improvement, Rheem reserves the right to make changes without notice.

¹Registration is required for the conditional warranties. For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local Contractor or go to SureComfort.com for a copy of the product warranty certificate. ²Based on manufacturer's furnace offering, and the product's heating stages, motor type and cabinet insulation. Sound levels are also dependent on furnace location and installation. ³Per EnergyStar.gov, when compared to a standard 80% AFUE gas furnace. ⁴Proper sizing and installation of equipment is critical to achieve optimal performance. Ask your contractor for details or visit EnergyStar.gov. ⁵Wi-Fi broadband internet connection required. Download the EcoNet® App from the App Store® or Google Play® to set up your EcoNet Smart Thermostat. Receipt of notifications depend on home Wi-Fi setup.
